OK to Enter

Dear Sir:

In response to the Notice of Allowance, mailed July 29, 2002, please amend the application as follows:

In the Specification

At page 5, lines 13 - 22, please replace the paragraph as follows (changes are shown on the pages attached hereto):

B, The video camera 102 and microphone 104 can be those of a conventional camcorder, for example. Alternatively, separate conventional components could be used for the video camera 102 and microphone 104. The video signal processor 106 and audio signal processor 108 can be implemented as separate processors, or their functionality can be combined into a single processor. For example, a suitable processor arrangement is described in U.S. Patent Nos., 5,901,248 and 5,790,712, respectively entitled and relating to issued patents entitled "Programmable Architecture and Methods for Motion Estimation" (U.S. patent 5,594,8813) and
